

Purely Pedigree Show and Sale

Whitland Mart - Tuesday 03/03/17

Champion Animal: Hackett Guarini Venus from Tom Jones, Hackett Farms

A disappointing entry of heifers where numbers were concerned but two quality heifers from the Hackett herd gave the judge Mr. Dewi Thomas something to think about. Taking the Championship was Hackett Guarini Venus who was 2 weeks calved and giving 26kg of milk daily.

A special entry of incalf and maiden heifers from the Gwynfaes herd of Davies, Maesgwyn, Crymych sold to a sound trade in what was a well-attended sale. Top price of £1120 and an average of £990 was seen for the good Friesian type stock.

The next Purely Pedigree sale will be held on Tuesday 11th April.
