CATALOGUE OF SALE TO COMMENCE AT 11.15AM

DP & J EVANS, GLANCLEDDAU, DWRBACH

JJ Morris are pleased to present another opportunity to purchase top quality British Friesian cows at Whitland Mart from Mr and Mrs Evans, Glancheddau who have dedicated over half their lives to milking and looking after generation after generation of wonderful cows.

The cows are producing well on a low input system of grass and concentrates at milking time only. They are all good in legs and feet and cubicle housed through the winter.

There are no official recordings for the animals but the cows are good productive types and the latest bulk tank figures show good reading:

Butterfat: 3.89% Protein: 3.47% scc: 260 Bacto: 26

These cows will suit any system and would undoubtedly increase production in more intensive units and as seen in the catalogue they are good long lasting cows that will serve well.

JJ Morris would like to thank Mr and Mrs Evans for their instructions and wish them well in any future ventures.
