BREEDING EWES (105):

More breeding ewes were seen this week, but mainly 3yr olds down to broken mouth ewes, topping at £78 were 3 yr old Cheviots from Brodie, Yerboston Mountain who also sold at £64. There will be a special entry of yearlings for the next mart which will be held on the 30th of August, please call Dyfan on 07812 127 818 for further details. If you are bringing breeding ewes let us know so that we can inform our buyers.

STORE LAMBS (324):

Being this early on in the season buyers were in a selective mood. However the majority of the lambs forward were continental types which peaked at £77.50 for a pair of Texel x lambs from Jenkins, Henllan with Suffolk X ram lambs from Davies, Ynys Fawr not far behind at £75.50. The overall average was at £57/head which did include some smaller long term types. Top and leading prices as follows:

TOP 10 £/HEAD
