FOREWORD

JJ Morris are delighted to receive instructions from Gerallt and Sarah Miles of Home Farm to disperse their entire Trefgarn Herd of Pedigree Holsteins.

Having been at Home Farm since 1960 and registered the Trefgarn herd in 1978 when Gerallt left school to come home to the farm the decision has now been taken by Gerallt and Sarah to disperse this quality herd of young cows and dairy followers.

This classified but non recorded herd, produced from premium, well known sires over the years and of late by following an Alta breeding plan, presents a milky cow fed on a grass/silage diet with 5Kg of TMR and fed to yield from 18 litres upwards.

Gerallt strived for a late Summer through to Winter calving pattern so the cows are mostly fresh or in full profit currently and there is a good selection of this years' group of heifer calves as well as yearlings, bulling heifers and served heifers on offer.

The bulk tank figures show averages of 7500-8000 litres at 4.25Bf 3.35ptn cc134. The milk yields catalogued are based on a weekly average given by an in-house reader and are not official recordings. The cows are cubicle housed and milked through a herringbone parlour.

Terms

ALL BUYERS MUST SETTLE THEIR ACCOUNTS ON THE DAY OF THE SALE.

Agency Bidding:

Any customer at the sale bidding as an agent on behalf of a third party is deemed by the auctioneers to be the purchaser and subject to the terms of the conditions of sale, unless written authority from the person(s) on whose behalf they are bidding is presented before the sale commences.

Please note udder warranty guidelines

Unless otherwise announced or declared, any heifer or cow in milk or cow in calf at the time of sale shall carry a guarantee that she is sound in udder and teats at the time of sale.

Any claims against the guarantee must be made to the auctioneer by 12.00 noon on the day following the sale for a cow in milk or within two hours following the close of the sale for a dry cow.

If the auctioneers are in agreement that the udder is not sound, then the sale, at the discretion of the vendor, may either be cancelled or an adjustment in the price paid agreed between vendor and purchaser.
