

Whitland Livestock Market Report - Tuesday 26/06/2018

Calves (114) 10.15am

A good entry boosted by the weaned calf entry from the Cole Family, Horse Park saw the usual fast trade at Whitland mart. Friesian bull calves averaged £50/head and topped at £70 while the beef calves attracted more buyers to ringside and sold very well to satisfy the huge demand. A British Blue steer calf from Ryan Cole sold at £655 while a very showy red Lim heifer, also from the Coles topped the day's trade at £690. More weaned calves are always welcome at Whitland to satisfy and build upon the weekly demand that is there.
