

**Suckler Cows and Breeding Bulls (73)**

The weather definitely took its toll on the suckler cow trade and vendors were selling as reluctantly as what buyers were bidding. Once the trade was set however the prices were consistent and a top price of £1550 was seen and an overall average of £1207. A consignment of incalf and bulling, pure Limousin, heifers sold well with incalf heifers averaging £905 and bullers at £755 with a top price of £1020. Breeding bulls followed on the Saturday trade with two Pedigree Limousin bulls from Bailea and Glencross herds selling at £2700 and £2550 respectively while a storming Pure unregistere British Blue bull sold at £2500.
