

**Sucklers (53) 12midday**

A decent number of sucklers sold to a hard trade. It could be argued that the quality forward was in the correct price bracket but the trade was noticeably tough as it has been through the country. Top price came in at £1220 and an average of four figures was managed at £1012/unit. Breeding bulls were in good demand and three Maes bred Limousin bulls dominated proceedings with three sons of the £4200 Loosebeare Icarus selling at £1600, £1700 and £2000. An aged Charolais bull of Penrhiw breeding sold at £1320.

Next suckler sale is Tuesday September 11<sup>th</sup> to include the South Wales Limousin club sale, comprising of the dispersal of the prizewinning Redskins herd of Jeff and Kate Brown.

**Calves (173) 10.15am**

An influx of weaned calves saw one of the busiest calf sales in Whitland for some time. Having the entries in before the sale allowed us to market and ensure a ringside full with the right buyers. At the peak of the trade were January born British Blue bull calves from Thomas, Gelligatrog at £580 and top price heifers 8 month old Lims from Howells, Lodge. Black and white calves topped at £285 and sold an average of £103/head. Get your entries for the next Whitland calf sale in now. The weekly option allows us to manage numbers so as not to flood the market in any one sale with only a week to wait for the next sale.
