

Dairy (77)

Yet another full house on dairy day in Whitland with 45 cows and heifer in milk on offer, 31 incalf and bulling heifers and a pedigree British Friesian bull. Topping the day's trade was a decent heifer from new customers Lewis, Coedcyw Fawr at £1680. She was followed closely by Richard Hammett, Rhos Fawr's heifer at £1650 and two Gest heifers from Maskell Partners at £1600 each. Incalf heifers from the Pencae herd sold to £1000 and the bulling heifers seemed to be more in demand with a very nice entry from the Bancycapel Herd drawing a lot of interest. They topped at £700 for Bancycapel Joan 34 sired by Woodmarsh Zigano and bred from three generations of VG cows joining the Gest Herd.

Calves (81) 10.15am

Whitland calf trade remains firm in the current decline. A better quality of Friesian bull calves saw them average £45 and top at £62 while top price was of the day was for a weaned Hereford steer calf at £510. There is consistent demand for a weekly supply of weaned calves at Whitland, which we are sure would grow even stronger with more numbers. Call Huw now with any entries.
